About Institute

Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial (ASBASJSM) College of Pharmacy, BELA, Ropar came into existence in the memory of Sahibzadas Ajit Singh Ji and Jujhar Singh Ji, the elder sons & the true disciples of Guru Gobind Singh Ji, who laid their lives fighting the cause of religion, peace and independence at their tender age. The College of Pharmacy is run by a non-profitable society that also runs a higher secondary school and degree college with multi-disciplines. Established in 1993 as “College of Pharmacy” with D. Pharm. course, the institution has made a steady progress during last 27 years. In the year 2000 with the intention of making this institution a center of higher learning, started B. Pharm. degree course, later was upgraded to post graduate level, i.e. M. Pharm. in Pharmaceutics (2006), Pharmaceutical Chemistry (2007), Pharmacology (2008) and center for Ph. D. in Pharmaceutical Sciences (2006). All the courses conducted in this Institution are recognized by Government of Punjab, Pharmacy Council of India, New Delhi and All India Council for Technical Education, New Delhi. All the courses are affiliated to IKG-Punjab Technical University, Jalandhar. This is the only institute in the region which degree pharmacy course is NBA accredited.

About FDP

Pharmacy institutions have a major role to play in preparing the younger generation for a propitious future. Apart from communicating quality education, there is an instant need to instill high ethical values and practices amongst the student’s fraternity. The role of moral, ethical and emotional competency in pharmacy students is imperative because the integrity of the profession depends on it. Research in India and abroad infer that, only moral and ethical practices can actualize the true essence of pharmacy teaching and learning in pharmaceutical institutes have strong social and emotional components. A key challenge in 21st century pharmacy and technical faculties involves in developing these competencies is usually understand by the students, even though it is of prime importance. Thus the need for such pedagogy arises. FDP will benefit the pharmacy and technical teachers and the academicians who emphasizing the importance of moral, ethical and emotional competencies.

Topics to be covered
