

An Autonomous College Status to COP-BELA

UGC granted an autonomous college status to Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy, BELA. IKG Punjab Technical University gave also conferment of status to the college. Director Prof. (Dr.) Shailesh Sharma told that status is for upcoming 10 years and in pan India only 07 (seven) Pharmacy Colleges have been granted this status. It is a matter of pride to the College, Managing Committee and Punjab state and Department of Technical Education.

He added that this status will now enable the college to keep pace with the times and formulate new education policies and impart better education to the students. He said that the team of University Grants Commission had visited the college last February 2021 and after thorough investigation the college has been recognized as an Autonomous College. He said that all this was the result of the visionary leadership of the managing committee, hard work of the staff members and students. With this achievement, the college has become one of the leading colleges in India.

S. Sardar Sangat Singh Logia, President, College Management Committee, Capt. M.P., Chairman, Sub-Committee, College of Pharmacy President Dr. Bhag Singh Bola, S. Sukhwinder Singh Whiskey (Manager), S. Jagwinder Singh, S. Devinder Singh Jatana, S. Seva Singh, Shri. R.N. Modgil, and other members of the management committee were also present on the occasion. Management thanked the Chairman of the UGC visiting squad Prof. Shailendra Saraf, Member Dr. Neeraj Upmanyu, Dr. Rama Rao, Shri. V.K. Bansal Section Officer, Prof. (Dr.) G.D. Gupta and Er. Shyam Goyal and congratulated director of the college, Dr. Shailesh Sharma and his entire team and hope that all the staff members will continue to contribute in the same way to take the college further.

Essay Writing Competition on the Occasion of the 400th birth Anniversary of Shri Guru Tegh Bahadur Sahib Ji

Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy, Bela (Ropar) on 01 May 2021 conducted an online essay writing competition on the life of Shri Guru Tegh Bahadur Sahib Ji. More than 50 students participated in this competition.

The students wrote very well in their own way about various aspects of the life, teachings and incomparable martyrdom of Guru Sahib Ji, Ms. Jaskiran Kaur and Ms. Akansha Singh, B. Pharm 8th semester, won first prize and Ms. Sukheveer Kaur and Ms. Jasmine Randhawa of B. Pharm 4th semester won 2nd and 3rd prize respectively.

The director of the college, Dr. Shailesh Sharma on this occasion explained the participants that that due to the unparalleled martyrdom of Shri Guru Tegh Bahadur Sahib Ji, they are called 'Hind Di Chadar'. Therefore, it is very important to convey the message of national unity to the current generation. He also congratulated and thanked Assistant Professor Satnam Singh and Ms. Simranjit Kaur Lohat for successful organization of this competition.

Appreciation Letter By IKG-PTU

IK Gujral Punjab Technical University (Jalandhar) gave an appreciation letter to COP-BELA for the best extent possible efforts to implement the academic elements of study in the online classes(Both Theory and Practical) by faculty members.

In letter they appreciated the innovative ideas involved by teachers to make their online classes more interesting and meaningful.

Prof. (Dr.) Vikas Chawla
Dean (Academics)

Ref. No. IKG-PTU/DA/2897

Dated: 02/06/21

Director/Principal
Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy,
Bela, Ropar

Subject: Appreciation letter for the conduct of the Online Classes during on-going Covid-19 pandemic.

Sir/Madam,

Greetings from IKGPTU !

At the outset, I hope that all will be safe and healthy at your esteemed institution during this Covid-19 pandemic.

Further, in compliance to our letter No. IKGPTU/DA/2832 dated 19-05-2021; your good office has submitted the links of online classes along with the timetable of courses of the current semester in the prescribed format for virtual inspection by the University inspection team.

I understand that online teaching during this pandemic is a huge task for all the educational institutions. I am really glad to share with you that during virtual inspection by our inspection team, the report of your esteemed institute regarding conduct of online classes have been found satisfactory. The timetable of conduct of online classes has been prepared very meticulously by the team of your faculty members under your able guidance. The inspection team of the University is impressed with the teaching methodology of your faculty during the online classes. I really appreciate the way in which your faculty members are putting in a lot of effort to conduct online classes in an innovative way and also grab the attention of the far-flung students. Your institute has done a commendable job by providing quality education (by virtual mode also) to our budding students.

At the end, I extend my best wishes to your institute, faculty and staff who are earnestly doing their duty during these difficult times of Covid-19 pandemic and hope that your institute will continue this in future also for the benefit of the students and society.

With Regards,

Prof. (Dr.) Vikas Chawla
Dean (Academics)

3rd Phase of All India Council of Technical Education (AICTE) sponsored Short Term Training Program (STTP) was concluded successfully at Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy Bela. More than 250 faculty members of different pharmacy institutes of state of Karnataka, Gujarat, Rajasthan, Telangana, Bihar, Madhya Pradesh, Chhattisgarh, Punjab, Uttar Pradesh, Haryana, and Himachal Pradesh attended this week long online program. 18 prominent speakers from all over India discussed various aspects of 'Computer aided drug design- A customized and innovative solution to greatest challenge in chemistry' and 'National Education Policy 2020'. The keynote speaker in the morning session of last day was Dr. Pradeep Kumar, Associate Professor, Department of Pharmaceutical Chemistry, KLE University, Hubli presented his lecture on Computer Aided Drug Design in the development of Anti-TB agents. After this, Dr. Abhay. Kumar, Vice Chancellor, Pratap University, Jaipur, Rajasthan highlighted and explained National Education Policy 2020 in very simple manner.

The chief guest of the Valedictory session was Dr. Ashish Baldi, Director, IQAC, Maharaja Ranjit Singh Punjab Technical University, Bathinda. In his address, he said that the computational approach and evaluation of the potential and properties of herbal medicines by artificial intelligence in the present times has been discussed and said that the potential for drug development can be further enhanced by using the latest technology in the development of modern formulations.

Finally, the program organizing secretary Dr. Monica Gupta discussed highlights the entire program and discussed feedback provided by participants. Program Coordinator Dr. Richa Gupta, Dr. Rahul Sharma and Ms. Navjit Kaur presented a brief report of the program and thanked speaker and participants.

Beginning of AICTE Sponsored STTP Phase-4

After successful conclusion of AICTE Sponsored STTP Phase-3 at Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy, Bela, the 4th phase of weekly online short term training program was launched on date 10-15 May 2021. In opening session, Prof. Chandrakant Bonde, Narsi Monji Institute, Sirpur, Maharashtra was present as chief guest and keynote speaker. In his lecture Prof. Bonde said that teachers in the field of Pharmacy should focus on quality of education and continuous learning and gave overview of Computer Aided Drug Designing. Next speaker Dr. Harvinder Popli, Director, School of Pharmaceutical Sciences, DPSRU, New Delhi, gave a detailed presentation on healthcare start-ups landscape in India in his lecture.

In the afternoon session, Dr. Deependera Singh, UIP, Pt. Ravishankar Shukla, Rajpur, Chhattisgarh, spoke on Computer Aided Modern Techniques for potential teacher amid Covid-19.

The director of the college, Dr. Shailish Sharma welcomed the guests and all the participants and informed them about the ongoing activities in the college. The coordinator of this program, Dr. Monica Gupta put light on the entire program. About 275 pharmacy teachers participated in the online web program. This program was very well coordinated by Dr. Rahul Sharma.

Expert Talk on MOOC

COPBELA organized an expert talk on MOOC Courses Awareness on 26 May 2021 for B. Pharm and M. Pharm students. Around more than 150 students attend the program virtually. The expert of the talk was Dr. Ajay Samelty and Dr. Mona Samelty from Garhwal University, Uttarakhand. They explained very clearly about the blended education system. They also enlightened the benefits of the course of Industrial Pharmacy to students. They also briefed students and faculty members on how to enrolled on the Swayam Portal for online self-paced course learning. The program was well organized by Ms. Punam Gaba. In the end Director Dr. Shailesh Sharma Thanked all the experts for their informative talk.

Installation of new Powerlab digital equipments

Enriching the laboratory resources, New non-invasive equipment for ECG, EEG, Heart Rate, Body Temperature, Pulse rate and Digital organ Bath was installed in the Department of Pharmacology.

These equipment were procured from Adi-Instruments, Australia from the grant-in-aid under AICTE-Modrob Scheme. The equipment and accessories cost around 21 Lakh. Dr. Ajay Singh Kushwah, HOD, Pharmacology said that these new digital technology based non-invasive equipment will be very helpful to research students of M. Pharm. and PhD who works in the domain of cardiovascular diseases likes Blood Pressure, Heart Attack, Blood Clotting etc. These equipment will be useful to assess the cardiovascular properties of new drug moieties which may be derived naturally or synthetically.

Director of College Dr. Shailesh Sharma said that these equipment are only available in our institute in North India. Dr. Sharma thanked AICTE, New Delhi for providing funds for purchasing of equipment and also Adi Instruments for timely installation. He also congratulated the Dr. Kushwah and team for the project and successful installation of new equipment.

Faculty Selected as Members of the Board of Study of IKG PTU

Director of Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy Bela , Prof. (Dr.) Shailesh Sharma and Prof. (Dr.) Monica Gupta were selected as member of the Board of Study (BOS) of Pharmacy and MLS (Medical Laboratory Science) streams respectively of IKG Punjab Technical University, Jalandhar for next two years i.e. from 2021 to 2023.

Dr. Sharma on this occasion said becoming a member of the Board of Studies will further increase responsibilities and they will try to improve various parameters such as overseeing and reviewing existing program structure, course syllabus, evaluating ongoing programs at institutions, fulfilling market needs, modern trends and updating courses and programs etc.

7th International Yoga Day Observed

The whole college family observes June 21 as International Yoga Day, recognizing the many benefits of the ancient Indian practice of yoga. The year 2021 marked the 7th annual International Yoga Day. The United Nations theme for this year is “Yoga for well-being”, which takes into account how the practice can promote the holistic health of every individual.

Although yoga has long been recognized as India's gift to the global culture of wellness, the official UN recognition came after a push by Prime Minister Narendra Modi in 2014.

At the session, College director Dr. Sahilesh Sharma had said, “Yoga is an invaluable gift from our ancient tradition.

Yoga embodies unity of mind and body, thought and action ... a holistic approach that is valuable to our health and our well-being. Yoga is not just about exercise; it is a way to discover the sense of oneness with yourself, the world and nature.” Around 200 faculty and students participated in the event through offline and virtual mode. In the last he also thanked to Yoga teacher Ms. Sunchit Kaur Sodhi organizer Lt. Pritpal Singh, Mr. Amarjit Singh, co-ordinator Mr. Satnam Singh and Ms. Simranjit Kaur Lohat and all the faculty members, students and their guardians to celebrate the event.

Intake Increase in B. Pharma Seats

Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy, Bela, Ropar has further enhanced its achievements by increasing the number of seats in the ongoing B.Pharmacy course from 60 to 100. Giving information in this regard, the director of the college Dr. Shailesh Sharma said that earlier only 60 students could be admitted in the B.Pharma course running in the college since 2000, but the college got autonomous status, NBA Accreditation and other honors achievements and increasing trend of students getting admission in COP-BELA, it was decided to increase the number of seats to 100 from the session 2021-22. AICTE, Pharmacy Council of India and IKG Punjab Technical University have also given their nod. He said that with this increase, more students could now pursue higher education in Pharmacy College Bela.

Sardar Sangat Singh Logia, President, College Management managing Committee, Capt. M.P. Singh, President Dr. Bhag Singh Bola, Manager Sukhwinder Singh Whiskey, Secretary Jagwinder Singh, S. Devinder Singh Jatana, S. Seva Singh, Shri. R.N. Modgill, and members of the management committee, congratulated to the director and his entire team and they hope that all the staff members will continue to contribute in the same way to take the college further.
