Director Dr. Shailesh Sharma said that Republic Day is a precious occasion to remember the importance of Indian Constitution and its absolute sovereignty.

## COMMENCEMENT OF GOLDEN JUBILEE YEAR CELEBRATIONS

Feb. 06, 2024, Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College Bela started its golden jubilee year by celebrating its 50th foundation day. Like every year, this time also keeping in mind the foundation day, Sri Akhand Path Sahib was lit in the courtyard of the college from 04th February to 06th February.

Expressing happiness on this occasion, President of the College Management Committee S. Sangat Singh Longia, the founder of the organization, remembered Gurbachan Singh Ex-MLA and all those thinkers and intellectuals who started this institution. He saluted Sant Baba Ajit Singh Ji Hansali Sahib for his financial contribution and congratulated all the residents of the area and everyone associated with the institution and expressed his gratitude to all for their contribution in its progress. The secretary of the management committee S. Jagwinder Singh Pammi congratulated everyone on this day and assured that Bela College will reach greater achievements in the near future. The manager of the management committee S. Sukhwinder Singh Whisky congratulated everyone on the beginning of this Golden Jubilee year and said that it is due to those great men and far-sighted intellectuals that this institution has reached the status it has today and along with the academic field. It is maintaining its reputation in cultural, sports and intellectual fields.

College Director Dr. Shailesh Sharma said that the 50th Foundation Day itself is a very important achievement and keeping this auspicious day in mind, the institution has celebrated it with great enthusiasm. On this occasion, the langar was served as usual by Sardar Gyan Singh and his family.

## PUNJAB STATE 5<sup>TH</sup> APTICON ORGANISED AT COP BELA

Feb. 10, 2024, The 5th Annual Convention APTICON of the Punjab State branch of the Association of Pharmaceutical Teachers of India (APTI), organized successfully at Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy in BELA (Ropar). The two-day event, held under the theme "CHALLENGES AND OPPORTUNITIES FOR PHARMACY EDUCATION SUPPORTING INDIAN HEALTHCARE SYSTEM," brought together around 1000 pharmacy faculty, research scholars, and students from across India. The convention was inaugurated by Prof. Dulal Panda, Director of the National Institute of Pharmaceutical Education and Research (NIPER) Mohali. Dr. Panda emphasized the importance of fostering a research-oriented environment in colleges and expressed optimism about the future, referring to the coming years as a golden era for the pharmaceutical field.

AMAR SHAHEED BABA AJIT SINGH JUJHAR SINGH  
MEMORIAL COLLEGE OF PHARMACY BELA (ROPAR)

COPBELA

Dr. Shailesh Sharma, Co-Convener and Director of the hosting college, welcomed all in the convention. Dr. G. D. Gupta Convener of the convention highlights about the convention. During the event, a Memorandum of Understanding (MoU) was formalized during the event, signifying a collaborative effort between the National Institute of Pharmaceutical Education and Research (NIPER) Mohali and APTI Punjab State branch. The MoU aims to foster an environment conducive to enhancing pharmaceutical research by leveraging the strengths and expertise of both entities. Prof. Gulshan Bansal (Dean Pharmacy, Punjabi University, Patiala), the President of APTI Punjab State Branch, spoke about the strategic significance of partnering with an esteemed institution like NIPER Mohali. The collaboration is poised to create synergies that will benefit the pharmaceutical education and research landscape in the state. A significant aspect of the convention was a panel discussion involving 12 pharmacy professionals from various esteemed government and private organizations. Chaired by Prof. Sanjay Jachak (NIPER Mohali) and Prof. R.K Goel (Punjabi University, Patiala), the discussion aimed to identify and address challenges in the pharmacy profession to strengthen its role in the healthcare system.

Punjab APTI team In recognition of their outstanding contributions to pharmaceutical research and education , Prof. Anupam Sharma and Prof. Ashish Baldi bestowed the Lifetime Achievement Award and Excellence Award, respectively.

The program featured distinguished speakers such as Dr. Harish Chander (National Institute of Biologicals, Noida), Mr. Rajeev Nayyar (Fresenius Kabi Oncology Ltd., Baddi), and Mr. Navjeet Singh Bhatti (Director, Paraxel, Chandigarh), who shared insights into new findings in pharmaceutical research. Cultural events, presented by students from various pharmacy colleges, added a joyful dimension to the convention. The scientific session featured approximately 160 oral and E-poster presentations on diverse pharmaceutical research topics. Additionally, competitions including quizzes, debates, and model presentations were organized to further enrich the knowledge of the delegates.

Dr. Suresh Thakur, the Coordinator, and Dr. Sandeep Kumar, the Organizing Secretary, expressed their gratitude to dignitaries, delegates, the college management, press and media members, and sponsors for their immense support in making the convention a success. The event served as a platform for the exchange of ideas, collaboration, and recognition of excellence in the field of pharmaceutical education and research.

## SUCCESSFUL SEMINAR ON INTERVIEW PREPARATION

Feb. 12, 2024, In a bid to empower students for successful career transitions, the Placement Cell of Amar Shaheed Baba Ajit Singh Juhar Singh Memorial College of Pharmacy (Autonomous College) organized a highly informative seminar on interview preparation. The event featured Mr. Sachin Nayyar, the Regional Sales Manager at Alembic Pharmaceuticals, who shared invaluable insights for interviews. Mr. Nayyar elaborated on various crucial aspects of interviews, providing

students with a comprehensive understanding of what to expect. He delved into the intricacies of tackling common interview questions and equipped the students with strategies to present themselves effectively. Final year Students of B.Pharmacy, M.Pharmacy, BSc took active participation in the seminar.

Highlighting the importance of readiness, Mr. Nayyar guided students on how to prepare for interviews, shedding light on the do's and don'ts to ensure a positive impression on prospective employers. His expertise and practical advice were well-received by the eager audience.

Dr. Shailesh Sharma, the esteemed Director of the college, introduced Mr. Sachin Nayyar to the students, expressing the college's commitment to providing all necessary support for students to secure promising placements. Dr. Sharma emphasized the significance of such initiatives in shaping the future of the students and fostering their professional growth.

Expressing gratitude, Mr. Harsimran Singh, a representative from the college, extended thanks to all the students for their active participation and to Mr. Sachin Nayyar for sharing his valuable time and expertise. The seminar marked a significant step in the college's ongoing efforts to enhance the employability of its students, ensuring they are well-prepared for the competitive job market.

## SARASWATI PUJA ORGANISED

Feb. 14, 2024, Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy, BELA organized a Saraswati Puja at its campus. The entire college premises resonated with spiritual fervor as students, faculty, and staff gathered to seek the blessings of the Goddess of learning, Saraswati.

The auspicious occasion was organized by a beautiful Puja ceremony, led by the college's students. The ceremonial worship included offerings of flowers, fruits, and traditional sweets, creating an ambiance that reflected the reverence for education. Director of the college, Dr. Shailesh Sharma, highlighted the significance of Saraswati Puja in fostering a spirit of learning and creativity among the students. In his address, he encouraged students to approach their studies with dedication and enthusiasm, embodying the values represented by Goddess Saraswati.

## MAA BOLI DIWAS CELEBRATED

Feb. 21, 2024, MAA BOLI DIWAS Celebrated at BELA Pharmacy College In a vibrant celebration of linguistic diversity and cultural heritage, the Rotaract Club of Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy Bela marked Mother Tongue Punjabi Day with enthusiasm. The highlight of the event was a spirited poetry competition that showcased the rich literary tradition of the Punjabi language.

Director of the college Dr. Shailesh Sharma emphasized the pivotal role of preserving one's mother tongue in safeguarding cultural identity and diversity. He advocated for the use of the Punjabi language in both official and personal conversations to foster a deeper connection with heritage. Ms. Navjit Kaur, the President of Rotract Club Bela, extended a warm welcome to all participants and teachers, setting the stage for a day of linguistic celebration. The event's seamless coordination was credited to Ms. Noel, who not only ensured a smooth program but also delivered a vote of thanks to express gratitude to all participants. The Mother Tongue Punjabi Day celebration served as a reminder of the importance of linguistic pride and the need to cherish and promote regional languages to preserve India's rich cultural tapestry.

## ABHIVIYAKTI 2024 ORGANIZED AT COLLEGE OF PHARMACY, BELA

Feb. 17, 2024 Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy (Autonomous) BELA, recently hosted 'Abhivyakti-2024,' a vibrant fresher party to welcome new students in Master, Degree, Diploma Pharmacy and Paramedical programs for the academic year. The event commenced with a Saraswati Pujan and a lamp lighting ceremony, symbolizing the institution's commitment to cultural traditions.

Director of the college Dr. Shailesh Sharma, set an inspiring tone for the occasion, urging students to strive for excellence and revolutionize the field of pharmacy. He highlighted the vast opportunities available for students based on their qualifications and skills within the pharmaceutical industry. The program featured a showcase of art and culture by both new and existing students, fostering a sense of community and celebrating diversity within the college.

Mr. and Miss Fresher were chosen for their outstanding qualities, added an element of excitement and friendly competition to the festivities. The teaching and non-teaching staff of COP-BELA worked tirelessly to ensure the seamless execution of the entire program, receiving praise from the Management Committee for their dedication. The successful organization of 'Abhivyakti-2024' reflects the collaborative efforts and commitment of the college community. College management committee gave their good wishes and said this fresher party not only marks the beginning of the academic year but also strengthens the sense of camaraderie among students. Congratulations were extended to everyone involved, and best wishes were extended to all students for a successful academic journey at Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy.

## HEALTH CHECKUP CAMP ORGANIZED

Feb. 27, 2024, Students of Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy (Autonomous) BELA Ropar organized a health check-up camp in collaboration with the Rotary club and Red Ribbon club. The camp was organized in the tribute of Shaheed Chandra Shekar Azad Ji on his death anniversary. Approximately 100 individuals benefited from the camp, where students diagnosed various health parameters such as BP, sugar levels, weight, height, BMI, and pulse rate. The initiative aimed to provide essential healthcare services to the villagers of Bela.

Dr. Shailesh Sharma, the Director of the college, expressed his appreciation for the regular medical camps organized for the welfare of the community. He congratulated the Rotary club's President, Ms. Navjit Kaur, Ms. Noel, and the Red Ribbon club's President, Mr. Harsimran Singh, for their leadership in executing this social activity. The college's management committee also commended the students and faculty members for their commendable work in organizing the health check-up camp. Such initiatives not only contribute to community health but also instill a sense of social responsibility among the students, fostering a positive impact on society.

## NATIONAL SCIENCE DAY CELEBRATED

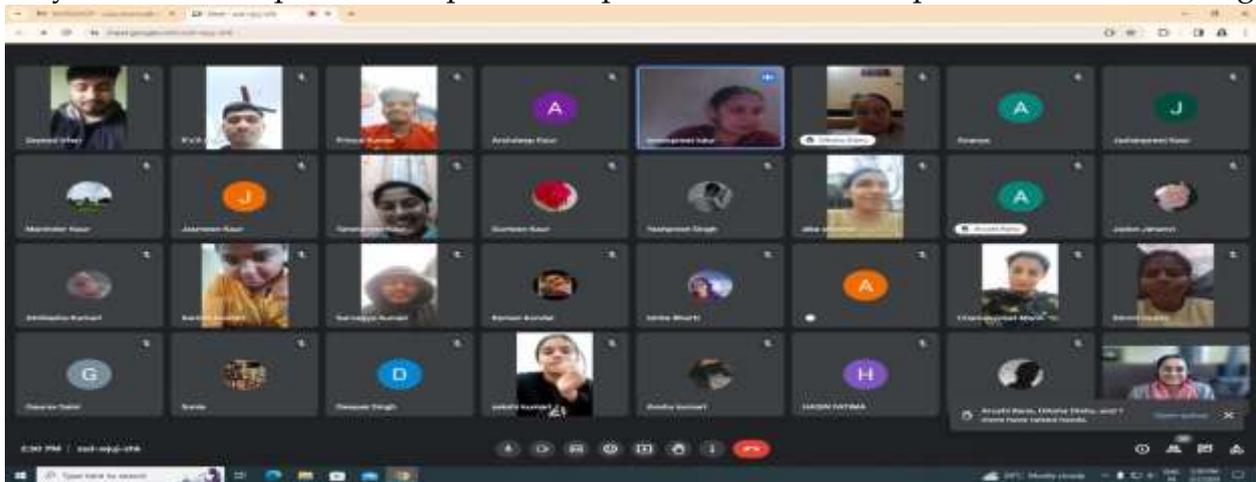

Feb. 28, 2024, Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy (Autonomous) BELA, observed National Science Day with a focus on "Indigenous Technologies for Viksit Bharat." Approximately 100 school students participated, witnessing demonstrations of various technologies used in medicine manufacturing. Dr. Shailesh Sharma,

the college director, emphasized the theme's relevance, highlighting the crucial role of indigenous innovations in India's development. National Science Day aims to raise awareness of scientific applications in daily life and celebrate scientists' contributions to human welfare. The event provided an opportunity for students to understand the concept of dosage form manufacturing. Program Coordinators, Mr. Harsimran Singh and Mr. Devinder Singh, expressed gratitude to students and staff for their active involvement, emphasizing the importance of cultivating scientific curiosity. The celebration at BELA College showcased a commitment to fostering scientific aptitude among youth for a technologically advanced future. National Science Day encourages reflection on scientific progress while identifying areas for further exploration and development. The event underscored the college's dedication to promoting indigenous technologies and nurturing a culture of innovation.

## ONLINE TALK ON ENTREPRENEURSHIP SKILLS

March 02, 2024, The Institute Innovation Council (IIC) cell of Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy Bela organized a highly informative online talk focusing on Entrepreneurship Skills, Attitude, and Behavioral Development. The event featured esteemed speaker Ms. Uday Sharma, and saw active participation from Ms. Amanpreet Kaur, IIC Coordinator, and Dr. Shailesh Sharma, Director, along with an enthusiastic cohort of 100 students. Ms. Uday Sharma, an expert in entrepreneurship and business development, delivered an engaging

session aimed at equipping students with essential skills and knowledge for entrepreneurial success. She shared valuable insights into idea generation, business planning, market analysis, and effective communication strategies, emphasizing the importance of fostering a proactive attitude and adaptable behavior in the entrepreneurial journey. The online talk provided an interactive platform for students to learn from industry professionals, ask questions, and engage in discussions on various aspects of entrepreneurship. Ms. Amanpreet Kaur, as the IIC Coordinator, facilitated the smooth conduct of the event, ensuring active participation and seamless interaction among participants.

Dr. Shailesh Sharma, the Director of the institute, lauded the initiative taken by the IIC in organizing such an insightful session, highlighting its significance in nurturing entrepreneurial talent among students. He encouraged students to leverage the knowledge gained from the talk to explore entrepreneurial opportunities and contribute to economic growth and innovation. The event concluded on a positive note, with participants expressing gratitude for the enriching experience and looking forward to more such initiatives from the IIC. Overall, the online talk proved to be a valuable learning opportunity, empowering students with the skills and mindset required to excel in the field of entrepreneurship.

AMAR SHAHEED BABA AJIT SINGH JUJHAR SINGH  
MEMORIAL COLLEGE OF PHARMACY BELA (ROPAR)

## ACADEMIC TRIP TO JAISALMER

March 04, 2024, Final year students from Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy (Autonomous) Bela, Ropar concluded their academic trip to Jaisalmer, Rajasthan. During their visit, the students explored the historical sites of Jaisalmer, delving into the rich history of the region. They uncovered geological events dating back 180 million years in the Thar Desert, gaining insights into the area's natural history. Situated near the Pakistan border and the Thar Desert, Jaisalmer is known as the 'Golden City' and serves as a guardian to western Rajasthan and India's frontier. The students had the opportunity to tour the renowned Jaisalmer Fort, also known as Sonar Qila (Golden Fort), which distinguishes itself by not only being a tourist attraction but also a bustling area with shops, hotels, and ancient havelis.

Apart from historical exploration, the students enjoyed various activities, including visits to the lake, desert safari, and participation in night cultural programs. The academic trip provided a comprehensive learning experience, combining cultural immersion with geological insights into the unique landscape of Jaisalmer. Director of the college, Dr. Shailesh Sharma took the opportunity to congratulate all the students on a special occasion, possibly related to educational trips or experiences. Dr. Sharma emphasized the importance of these trips in providing students with valuable lifelong learning skills. Such experiences often go beyond traditional classroom teachings and offer practical insights that can contribute to personal and academic growth. By acknowledging the significance of these trips, Dr. Sharma likely encouraged students to appreciate the holistic benefits of their education and the diverse set of skills they can acquire through real-world experiences.

## WORKSHOP ON ANTIMICROBIAL RESISTANCE

March 05, 2024, Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy (Autonomous) BELA (Ropar) recently organized a successful one-day workshop on Antimicrobial Resistance (AMR) in collaboration with the SAS team, sponsored by Centrient Pharmaceuticals. Over 160 students actively participated in the event.

Mr. Rajiv Narang, Associate Director (Corporate), and Mr. Mohit Dhamija, Head of Sustainability at Centrient Pharmaceuticals, emphasized the pharmaceutical industry's pivotal role in combating AMR. Dr. Nusrat Shafiq from PGIMER, Chandigarh, provided insights into the public health and environmental impact of AMR. Dr. Anshu Bhardwaj from CSIR-IMTECH, Chandigarh, delved into the biology of AMR and explored current research advances.

The workshop included sessions on learning from case studies to resist resistance, with a practical focus. A unique group activity titled "Be a Superhero against Superbug" engaged participants in a hands-on approach to tackle the challenges posed by AMR.

The workshop's success was attributed to the facilitation by esteemed professionals, including Dr. Sarah Hyder Iqbal and Dr. Somdatta Karak, along with Khushi Goel from the SAS team. Dr. Shailesh Sharma, the college's director, demonstrated a commitment to fostering educational initiatives and addressing critical issues in pharmacy. Program Coordinator Dr. Rahul Kumar Sharma likely played a key role in ensuring the event's smooth logistical details and overall coordination.

Dr. Shailesh Sharma expressed gratitude to the experts, SAS team members, and participants, reinforcing the college's commitment to providing quality education and raising awareness of critical issues within the pharmaceutical field.

## NATIONAL PHARMACY EDUCATION DAY CELEBRATED

March 06, 2024, Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy (Autonomous) BELA, celebrated the Birth Anniversary of Prof. M. L. Schroff, widely regarded as the Father of Indian Pharmacy Education. The event was marked with great enthusiasm as faculty members and students paid tribute to this influential figure in the field of pharmacy education.

According to the Director of the college Dr. Shailesh Sharma, the celebration aligns with the instructions of the Pharmacy Council of India, New Delhi, designating Prof. M. L. Schroff's birthday as the National Pharmacy Education Day. This year, the theme chosen for the celebration was "Leveraging Synergism: Industry-Academia Partnership for Implementation of National Education Policy 2020." The celebration showcased the college's commitment to honoring pioneers in pharmacy education and fostering a dynamic learning environment that aligns with the evolving landscape of education policies in the country. During the event, Dr. Monika Gupta provided insights into the biosketch of Prof. Schroff, shedding light on his significant contributions to pharmacy education in India. Dr. Ajay Singh Kushwah took the opportunity to introduce the National Education Policy 2020 in the context of pharmacy education, offering valuable information to the students. Expressing gratitude, Dr. Satnam Singh extended thanks to all the students and faculty members for their active participation in the program. The occasion served as a platform to foster awareness and understanding of the crucial linkages between academia and the pharmaceutical industry, emphasizing the collaborative efforts needed for the successful implementation of the National Education Policy 2020 in the field of pharmacy education.

## ‘MERA PEHLA VOTE DESH KE LIYE’ CAMPAIGN ORGANISED

March 14, 2024, Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy (Autonomous) BELA, encouraged their young students to participate in the electoral process as it is crucial for the development and progress of the country.

The Systematic Voters' Education and Electoral Participation activities organized under the Mera pehla vote desh ke liye campaign. These type of campaign are essential for instilling a sense of responsibility and civic duty among new voters. Director Dr. Shailesh Sharma's emphasis on the importance of each student's vote for the nation's progress further reinforces the significance of active participation in democracy. All the students took the pledge to cast their votes for India. This commitment reflects a promising future where the youth actively contribute to shaping the nation's destiny through democratic means. Such initiatives are vital for fostering a culture of informed and responsible citizenship among the younger generation.

## STUDENTS VISIT TO IIT ROPAR

March 16, 2024, Students from Amar Shaheed Baba Ajit Singh Jujahr Singh Memorial College of Pharmacy (Autonomous) BELA showcased their talent and creativity at the recent competitions held at the prestigious Indian Institute of Technology (IIT) Ropar in celebration of International Women's Day. Engaging in a series of competitions including rangoli, slogan, and poster making, the students demonstrated their artistic prowess and commitment to promoting gender equality and women's empowerment. Under the guidance of the college's director, Dr. Shailesh Sharma, the students actively participated and secured notable positions in the competitions. Dr. Sharma commended their efforts and encouraged further engagement in such events. Their commendable performance at IIT Ropar is a testament to the college's commitment to nurturing well-rounded individuals who actively contribute to societal progress and development. The event coordinators, Professor Simran Lohat and Professor Shahenaz Kahtoon, provided invaluable support and guidance to the students, ensuring their seamless participation and success in the competitions. The students' enthusiastic involvement not only highlighted their creative talents but also served as a platform to raise awareness about pertinent issues surrounding women's rights and empowerment.

## NATIONAL WORKSHOP ON NETWORK PHARMACOLOGY

April 12, 2024, Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy (Autonomous) Bela and Club Pharmanic recently hosted a dynamic one-day national workshop on NETWORK PHARMACOLOGY, spearheaded by Dr. Shailesh Sharma. The event welcomed esteemed resource persons, guests, and enthusiastic participants eager to delve into the realm of pharmacology's cutting edge. The workshop's focal point was the insightful discourse delivered by Dr. Anoop Kumar, Assistant Professor of Pharmacology at DIPSAR, Delhi. Dr. Kumar elucidated the significance and applications of network pharmacology in our contemporary landscape. With practical demonstrations, he showcased the utilization of network software, shedding light on how this innovative approach unveils the potential therapeutic uses of naturally occurring compounds.

Dr. Ajay Singh Kushwah underscored the importance of pre-screening drug activity prior to animal studies, advocating for a streamlined approach that conserves resources and time. Concluding the event, Dr. Rahul Kumar Sharma provided a succinct summary, followed by a gracious vote of thanks. Raveena Kumari coordinated the stage arrangements, ensuring a seamless flow of proceedings, while Harsimran Singh, Devinder Kumar, and Ramandeep Kaur arranged the event's meticulous organization. The workshop not only disseminated invaluable knowledge but also fostered a collaborative environment where academia and industry intersected, paving the way for future advancements in pharmacological research. It stood as a testament to the college's commitment to academic excellence and innovation in pharmaceutical sciences.

## YOGA CAMP ORGANIZED

April 20, 2024, Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy, located in Bela Ropar, recently hosted a two-day yoga camp in collaboration with Vivekananda Kendra, Needam Gwalior. The event, organized with the

assistance of the Phramanic club and Rotaract club, aimed to promote holistic well-being among participants. Dr. Shailesh Sharma, the college director, emphasized the significance of yoga in relieving stress, enhancing concentration, and fostering physical and mental health. Yogacharya Shri Anil Sarode Ji elucidated the multifaceted benefits of yoga, asserting its role in personality development and overall well-being. The camp featured demonstrations by shri Asharam Prajapati Ji and shri Ajay Jajjo Ji on stress-relieving yoga techniques and methods to enhance concentration. Smt. Sunita Palherkar conducted sessions on the importance of diet for health improvement, including a dedicated session for women on health and hygiene. Dr. Ajay Singh Kushwaw and Dr. Rahul Kumar Sharma, the coordinator, expressed gratitude to all experts and participants for their involvement.

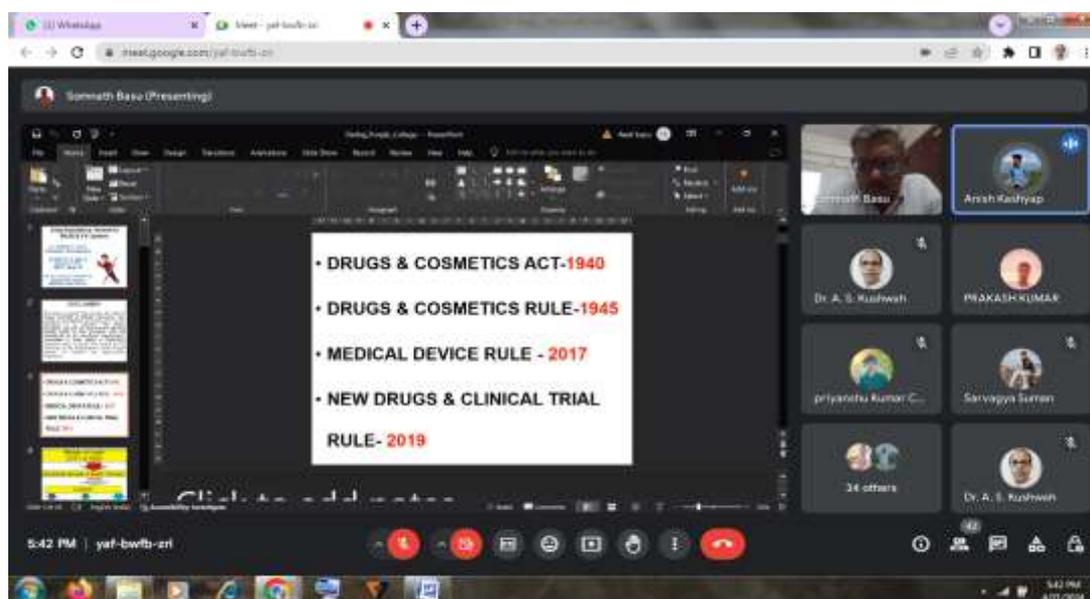

## WORLD INTELLECTUAL PROPERTY DAY CELEBRATED

April 26, 2024, Fuform Club and Rotract Club Bela commemorated World IP Day at Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy BELA, advocating for intellectual property awareness. Club members crafted informative posters highlighting the significance of patents, designs, and copyrights. Dr. Sandeep Kumar and Dr. Monika Gupta elucidated the importance of these rights. Exceptional students and faculty members were honored for their contributions to patent and design patents this year. Director Shailesh Sharma expressed gratitude to all participants, emphasizing the importance of intellectual property. Ms. Amanpreet Kaur from IIC Coordination and Ms. Navjit Kaur, President of Rotract Club, orchestrated the event commendably, fostering awareness and recognition.

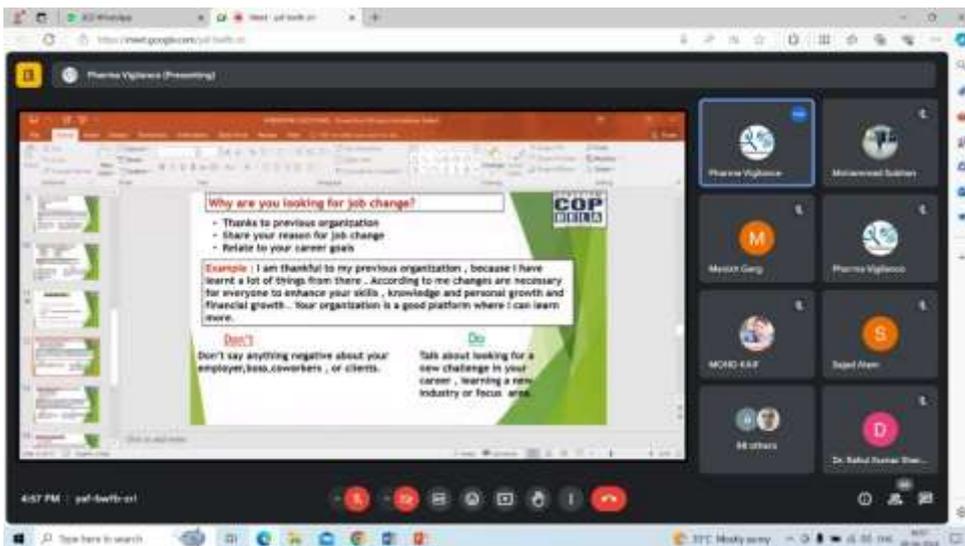

## GUEST LECTURE ON DRUG REGULATORY AFFAIRS AND PHARMACOVIGILANCE

April 21, 2024, In a groundbreaking online guest lecture, Dr. Somnath Basu, a distinguished figure in the field of pharmaceuticals, shared invaluable insights on the intricacies of drug regulatory affairs and pharmacovigilance in India. Hosted by the esteemed Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy in Bela, the lecture was part of an Online Certificate Course in Pharmacovigilance. Dr. Basu's expertise, honed through years of experience and a PhD from Calcutta University, brought a wealth of knowledge to the virtual podium. As the event commenced, Dr. Shailesh Sharma, Director of COP BELA, extended a warm welcome to the esteemed speaker, highlighting the significance of his contributions to the field. This event was moderated by Dr A.S. Kushwah (HoD Pharmacology), Dr. Basu provided a comprehensive overview of regulatory processes, emphasizing the critical role of pharmacovigilance in post-market surveillance. His deep dive into the evolving regulatory landscape of India equipped participants with a nuanced understanding of both challenges and opportunities within the field. Participants, Students of Bachelor and Master of Pharmacy and educators benefited immensely from Dr. Basu's insights. By sharing his expertise, Dr Basu empowered attendees with the knowledge necessary to uphold stringent safety standards and effectively monitor the safety profile of pharmaceutical products. The event underscored the college's commitment to providing cutting-edge education in pharmacovigilance and its dedication to fostering collaboration between academia and industry experts. Dr. Somnath Basu's lecture undoubtedly marked a significant milestone in advancing knowledge and understanding in the realm of drug regulatory affairs and pharmacovigilance.

## CAREER GUIDANCE ONLINE GUEST LECTURE

April 28, 2024, The Laureate Institute of Pharmacy Kathog (HP) and the Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy BELA, Ropar, Punjab, jointly hosted an expert-led online lecture titled "How to prepare for a Job Interview." This collaborative effort aimed to equip final-year graduate and postgraduate pharmacy students with valuable insights and guidance to facilitate successful career transitions. Ms. Shruti, an accomplished professional with an MA in Social Science from Punjab University, led the session. Her expertise was demonstrated through her commendable track record of delivering lectures on interview preparation across various colleges and actively participating in presentations on the Certificate Course in Pharmacovigilance.

Throughout the session, students were encouraged to actively participate in the enriching discussion. Ms. Shruti's comprehensive coverage included interview techniques tailored for pharmacy students, practical guidance on resume-building and effective communication strategies. The aim was to provide students with essential skills and strategies to excel in job

interviews, setting them up for success in their future careers. The collaborative effort between the two esteemed institutions underscored their commitment to providing holistic education and preparing students for the challenges of the professional world. The event was graced by Dr Shailesh Sharma, Director of COP BELA, who warmly welcomed Ms Shruti. Dr Rahul Kumar Sharma served as the program moderator, ensuring a smooth flow of the session. One of the highlights of the lecture was the interactive nature of the session. Throughout the program, students had the opportunity to interact with Ms. Shruti, asking questions and seeking advice tailored to their career aspirations. This engagement allowed for a more personalized learning experience and ensured that students could address their specific concerns. The lecture concluded with Dr A.S. Kushwah, HoD Pharmacology and convenor, delivering a vote of thanks to Ms Shruti for her valuable insights and to the audience for their active participation. Overall, the event provided pharmacy students with an invaluable learning opportunity, equipping them with the necessary skills and knowledge to navigate successful career transitions.

## PHARMACY COLLEGE BELA HOSTS MIND MANAGEMENT WORKSHOP

April 30, 2024, Students and faculty at the Amar Shaheed Baba Ajit Singh Jujhar Singh Memorial College of Pharmacy (Autonomous) BELA delved into the intricacies of mind management at a recent workshop organized in partnership with Brahma Kumaris Ishwariya Vishwa Vidyalaya. Led by BK Yesu Didi, a spiritual trainer and motivational speaker, participants were introduced to various techniques aimed at harnessing the power of the mind for positive outcomes. BK Aditi Didi shed light on the pivotal role of mind management in student life, emphasizing its significance in personal and academic success. Dr. Shailesh Sharma expressed gratitude to the Brahma Kumaris team for their insightful contributions, while Dr. Monika Gupta warmly welcomed all guests and experts, ensuring the smooth coordination of the program. The workshop provided invaluable insights into nurturing a resilient and focused mindset amidst life's challenges.
